

NAPLAN 2022

Information for students in Years 7 and 9

How can I get ready for NAPLAN?

Use the demonstration tests to practise the types of questions and tools available in the NAPLAN online tests.

Access the demonstration tests here:

<https://www.nap.edu.au/online-assessment/public-demonstration-site>

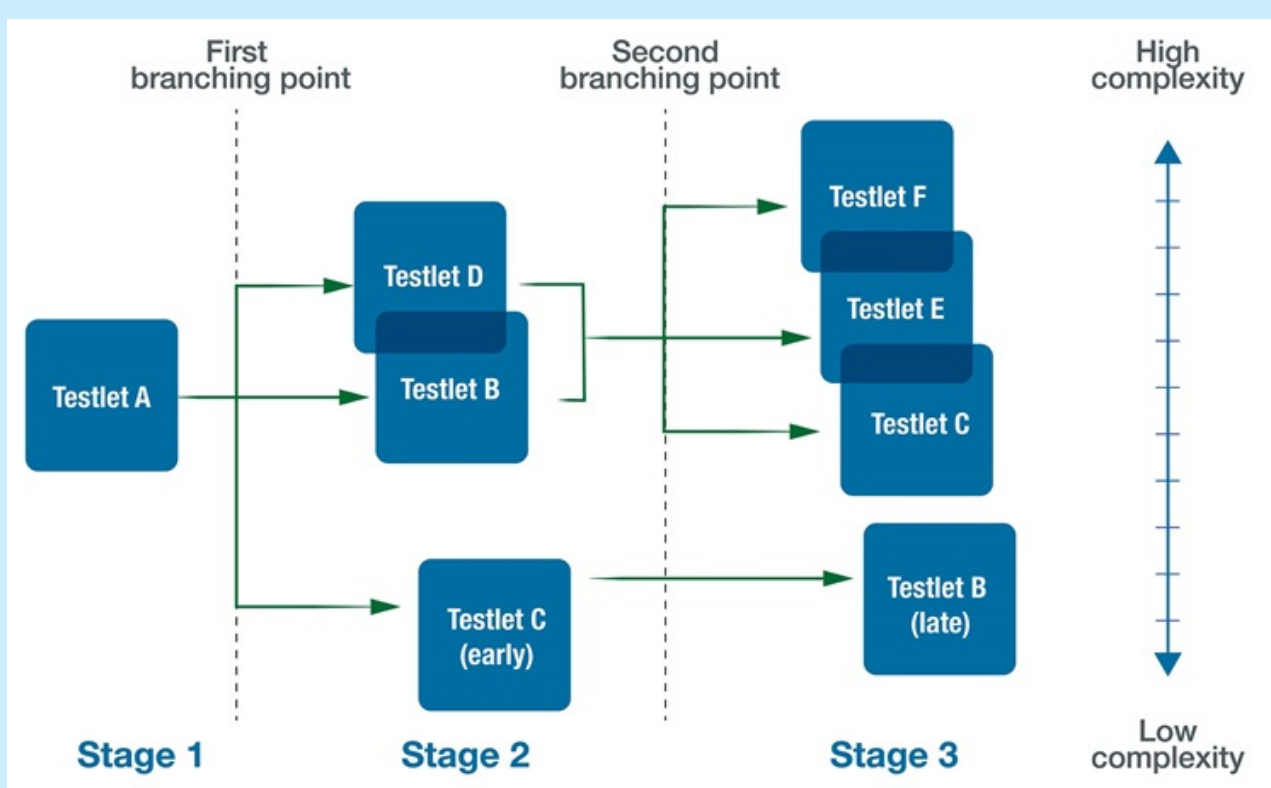

Can I use my own calculator for the numeracy test?

No. The online numeracy test will have an on screen calculator. Try out the NAPLAN online calculator in the numeracy demonstration tests on the public demonstration site.

Do I need to touch type?

No. You do not need to be able to touch type to complete the tests.

What is tailored testing?

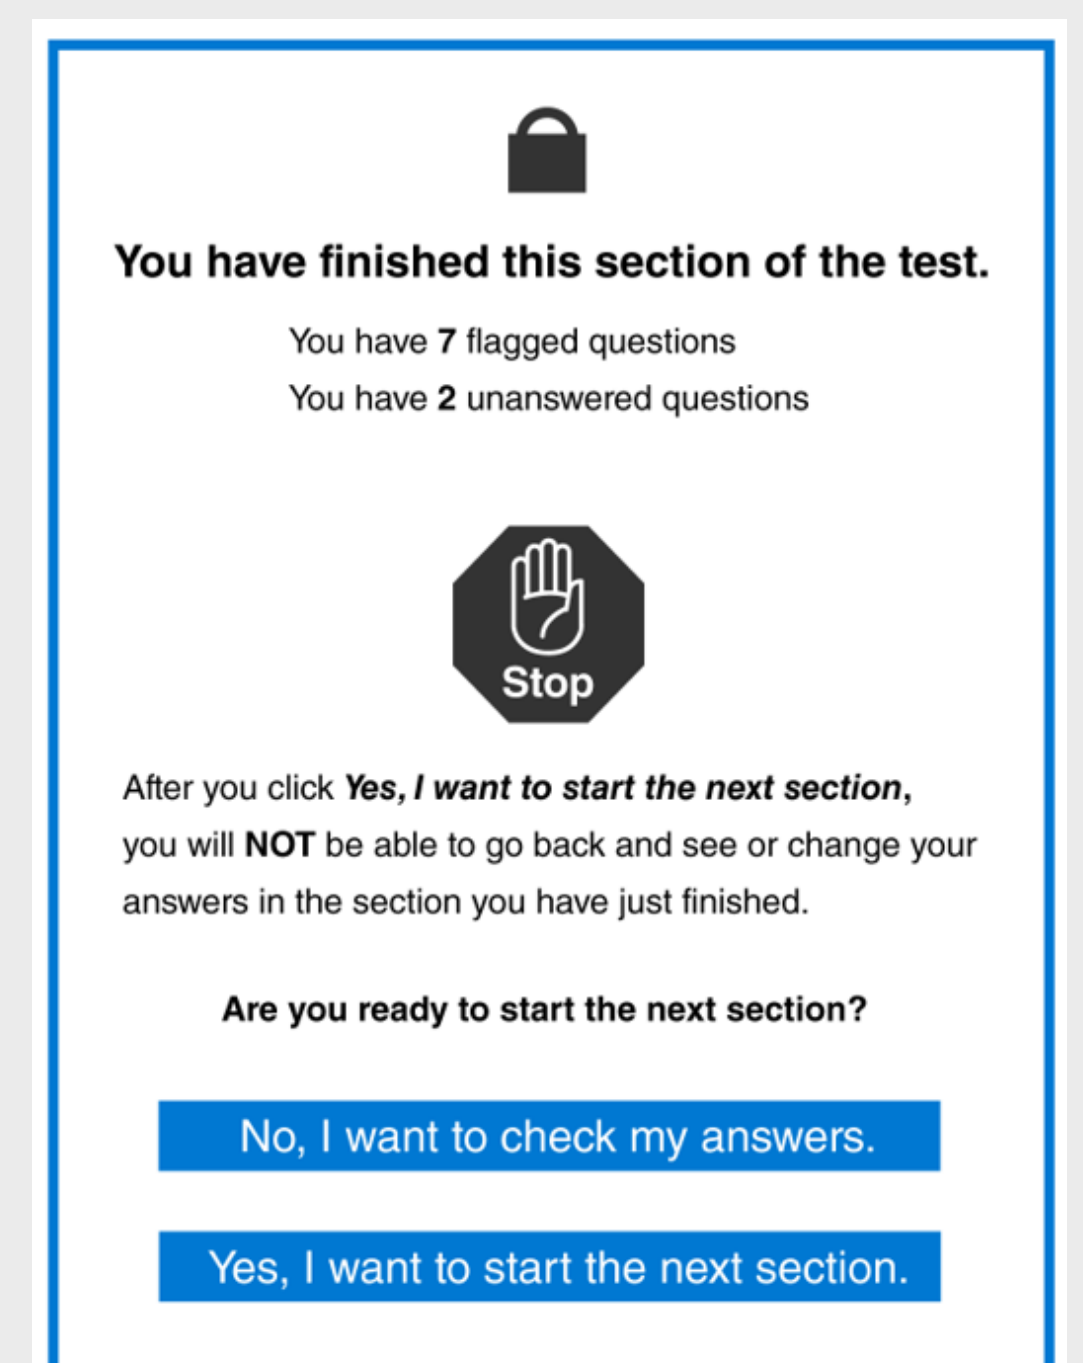

The test changes depending on your performance in the test. Questions will either get easier or harder based on your answers.

Conventions of language test important information

A message will appear on your device to let you know you have finished the grammar and punctuation section.

Check your answers before selecting 'Yes, I want to start the next section'.

When you select 'Yes, I want to start the next section', the spelling section will start and you will not be able to go back to the grammar and punctuation section of the test.
