## YEAR 9 PEER SUPPORT TRAINING

All of Year 9 was equipped with life-long learning skills of effective communication, working in teams, problem-solving and the importance of wellbeing. Every student completes the program and learns invaluable lessons about themselves and the world. Nine teacher volunteers were given training and resources to facilitate the Peer Support Training Program which was held over 2 days.

The goals of the training include allowing students to:

- Share their knowledge, understanding and experiences of school
- Learn that they can solve problems together
- Understand how others feel and value their differing opinions
- Develop and contribute to support networks
- Identify positive outcomes in different situations
- Support others and be a positive role model

All students enjoy the program and participate actively. Every student emerges a leader and develops herself through participating in this worthwhile program.

Unfortunately, only approximately 30 can be selected to be Peers Leaders of Year 7 in 2019. This selection is made very carefully through facilitator observations, filtering through student expression of interest applications and consulting with the Year Adviser and supervising Deputy Principal.

## **Peer Support Training**

A nominated Peer Leader will able to:

- Promote a safe and comfortable environment by adhering to the behaviour codes of school encapsulated by the three R's : Readiness for Learning, Respect for people and property and Responsibility for one's own actions.
- Know everyone's name and something about them
- Think about how new Year 7 students would like be treated positively
- Include everyone in all activities and discussions
- Explain clearly what students need to do, how to do it and why
- Listen to students in their group
- Encourage students in their group to join in
- Be firm in making sure that students do not disrupt or join in the disruption of the the learning of others
- Recognise and acknowledge strengths and achievements in everyone

Overall, it was a well organised 2 days which the students thoroughly enjoyed! Thanks to Mr Wong and Ms Philip for their hard work in coordinating the program this year.

### Payments can be made from

Monday 19th November until Friday 7<sup>th</sup> December.

Students are to return the signed permission note to the box outside the PE staffroom.
