Refugee Week

On Wednesday the 20th of June 2018 the SRC accompanied by Ms Fawaz and Ms Shalini travelled to Burwood Girls High School for a special refugee forum as part of World Refugee Week.

Strathfield Girls High School were moved by the personal and touching stories shared by the guests. Stories of hardships displayed courage and strength to overcome such horrific and traumatising experiences experienced by refugees worldwide. A motivational, inspirational and eye-opening forum displaying the challenges faced by refugees leaving war torn countries and seeking asylum. Refugee guests displayed courage sharing their personal stories and displayed resilience which was truly remarkable and inspirational.

We thank the special guests for sharing their personal stories and to Burwood Girls High School for inviting the SRC to be a part of such a great forum.

Student Article—Refugee Week

On Thursday week 9, Strathfield Girls High School acknowledged the struggles of refugees by holding a refugee assembly.

Our special guest Josiah from World Vision, shared his story from when he was younger which made him realise the difficulties refugees faced. He also spoke about the 40 hour famine which our school is interested in taking part in.

Year 7 SRC members Ashvita and Summer shared stories of refugees they personally knew and the process of moving to Australia due to various reasons which forced them to become refugees. This assembly was crucial in highlighting the struggles and experiences faced by refugees worldwide. We thank Josiah for attending this assembly and providing us with a glimpse of refugee experiences.
