## SGHS Celebrates Year 12 Achievements

### HSC Body of Work Exhibition

On Tuesday, 4 September 2018, our school hall was transformed into an amazing art gallery displaying the talent, dedication and effort of our 37 Year 12 Visual Arts students and their nurturing teachers. The Official Opening at 6 pm was well attended by the Director, Neighbouring School Principals and staff, Year 12 parents and families, SGHS staff and peers from SGHS and local schools. Ms Lyriss, our Principal welcomed our guests and congratulated Year 12 students on their spectacular artwork. She also thanked the Year 12 teachers, Ms Papas and Mr Middleton for their support of the girls. Year 12 students mingled and proudly discussed their work and how their piece had developed over the year. Representatives from each class thanked their respective teachers and presented them with bouquets of flowers. Parents were very proud of the achievements of their daughters and thanked the teachers for their guidance and mentoring through the year. The artwork has now been packed and submitted to NESA for marking. Congratulations to our Visual Arts students for their tremendous major works.

### HSC Music Soiree

Year 12 Music students held their audience captive when showcased their talent on the evening of Thursday, 6 September. All 8 Music 1 students performed in a range of modes from piano to vocal and drums while the 3 Music 2 students performed magnificently on the piano. All performances were outstanding and evidenced just how well-prepared the girls are for the HSC Music Practical exams next week. Many parents attended to support their daughters and Ms Lyris thanked the parents, students and teachers for the treat of a wonderful performance evening. Congratulations to all Year 12 Music students for their outstanding performances. We wish you all the best in your practical examinations.

## NSW Japanese Language Speech Contest - Excellence Prize to Da Eun Choi

On Sunday, 2 September, 5 students from Strathfield Girls High School participated in the 49<sup>th</sup> Japanese Language Speech Contest at the University of NSW. Da Eun Choi and Wonjeong Yoo of Year 11 were in the Wakaba Division, which was for beginner contestants. Kimaya Gadre, Megan Lam and Zaeema Zameel were in the High School Senior division. They had all written, edited, practised, and memorised their speeches.

On the day, they were a bit nervous and excited at the same time. After the nerve wracking experience of delivering a speech in another language, the food, over socialising with peers was enjoyed. Our students were also able to participate in other activities, such as Furoshiki wrapping.

The day ended with the award ceremony where everyone was presented with a participation certificate. Da Eun Choi received an excellence prize for the Wakaba Division. She was presented with a medal and everyone shared a proud moment.

Well done to all our students.

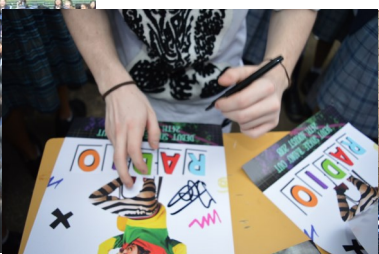

## Dinley Jones Live Performance at SGHS

Much to the delight of our students, Dinley Jones, the young Sydney performer who recently premiered his debut single 'Radio' visited SGHS at part of his school tour 2018 initiative.

In an interview, Dinley revealed that he made "Radio" because he "wanted to make something fun and silly, to make the people dance! We wanted to put a smile on people's face and hopefully make their day just that bit better with this song. And in the best case, inspire them to really be themselves without fearing how other will perceive it."

Thanks to Ms Wong for arranging this performance.

## SAS Staff APPRECIATION WEEK

Our School Administrative Support Staff are the engine, the pulse of SGHS and we could not do the job that we do without their tremendous support!

Our SASS colleagues are much appreciated, not only in this week, but all through the year.

To thank them for all that they do- BIG and little- to make life easier and our school run smoothly and efficiently, we treated them to a morning tea on Thursday, lunch on Friday and a little token gift of appreciation.

Three cheers for our wonderful SAS Staff.

## The Program

The one-day program consists of morning and afternoon sessions. The morning session is focused on a motor vehicle crash scenario, which includes the lead up to a car crash involving three young people and a motorcyclist. The scenario shows the interaction of the rescue services at a crash scene and the potential consequences of being involved in a crash, and includes an insight into the patient's journey through the hospital from the emergency department to rehabilitation. Following the crash scenario, two presenters from the Brain Injury Unit at Westmead Hospital – who have all suffered a traumatic brain injury as a pedestrian, passenger or driver of a car – give talks about their experiences which are a powerful reminder of how trauma could affect anyone of the participating students. There is then a discussion from TfNSW regarding safety on the road.

Following this there are 21 interactive displays for the students to participate in, and access current information.

The afternoon session of the program includes a guest speaker who has sustained a spinal injury due to a car crash and a live demonstration of stopping distances.

*On Thursday the 30 August, Year 11 had the opportunity to attend the “BeStreetSmart” workshop at Qudos Bank arena. It gave us insight into the dangers and risks of driving, that teenagers should be aware of. We heard the inspirational and heart breaking stories of people impacted by accidents on the road.*

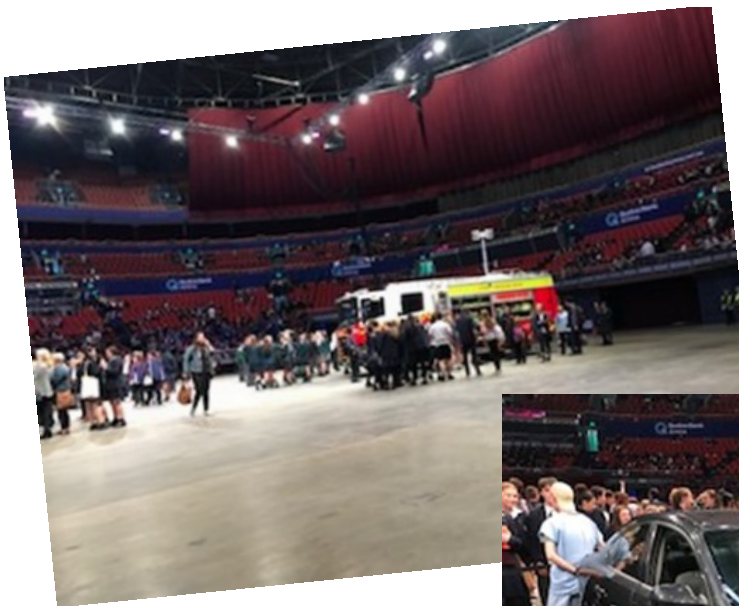

*Many organisations were present, and they provided information on helping the Australian youth in the prevention and precautions that should be taken on roads, as well as encouraging thinking about whether becoming an organ donor is something an individual would want if a fatal crisis happened to them.*

*It was an informative and interactive day, which had many benefits for all Year 11 students.*

## SPORT FEES

A reminder to all students that all sport fees should be paid. If not, they need to be paid by the end of Week 6.

Carnival levies should also be paid.

All fees need to be paid before choosing a Term 4 sport. Below is a list of the sports offered for Years 8, 9 and 10 for Term 4.

### Instructions for Sport Selection

Available sports are indicated in the list.

You must select a sport for Term 4, 2018.

***Discuss sport options with your parents as they pay your fees!***

In order to select a sport, you will need to make full payment for that sport only at the front office. This allows the school to be fair and equitable in regards to student numbers in specific sports.

**Please note that payments made online may take up to two days to be processed and there is no guarantee that you will secure your sport selection as sports fill quickly.**

**Payments** can be made from **Monday, 3 September until Friday 14 September.**

Students who do not pay and select a sport, will be allocated a sport.
