STUDENT FACULTY LEADERS

Congratulations to all students who were elected as a Student Faculty Leader for 2020.

The nominated students demonstrate outstanding leadership skills and will be an excellent leader and an impressive ambassador for our school.

The Student Leadership Induction Ceremony on Thursday, 14th November acknowledged these students and look forward to them fulfilling their roles in building faculty awareness and highlighting initiatives.

Thank you to all the parents and carers who were able to attend the Leadership assembly and then responded to our invitation to attend celebratory refreshments in the school senior garden.

YEAR 11 LIFE READY

The Year 11 Life Ready program, previously called Crossroads, is a mandatory course designed to prepare and support senior students as they encounter situations related to health and safety as they become more independent and gain more responsibilities. It focuses on offering opportunities for students to build the functional knowledge and skills for life post school.

The 2019 program was a wonderful success with the Year 11 students participating with enthusiasm in all the components. The workshops were interactive and allowed students to have a voice about health issues affecting them. The program included some physical activity with bike riding and the great race challenge around Bicentennial Park.

On Friday 25th October, the program headed to the city, where students participated in the Urban Challenge. The students worked collaboratively in teams to solve puzzles and find their way to the next clue. Each participant in the team had a role to play for their team and congratulations to team 11 and their leader Ms Xu, who won the challenge.

The program concluded on Tuesday 29th October with guest speaker Brent Sanders engaging the audience with his presentation on Keeping Safe.

Big thanks must go out to all the teachers and helpers who made such an impact for the students in delivering this program as always.
