GRIP Leadership Conference

On Wednesday, 6th November, the SRC and some prefects attended the GRIP Leadership Conference held at the Quay Centre in Sydney Olympic Park. This conference engaged and motivated our student leadership team and provided great practical strategies that helped to train us as school leaders. The sessions helped us understand important character traits including confidence, generosity, reliability, empathy and leading with integrity. We were able to share experiences with students from other schools, as well as generate new ideas together to develop school-based strategies that will help make a difference.

GRIP Leadership Conference

We left the conference with a clear vision, as well as a solid understanding of what it means to be a leader. We can't wait to start implementing some of the strategies we had come up with on the day, in hope that we will make a difference here at Strathfield Girls High School. Thank you Ms Fawaz for accompanying us on the day, and for always finding us new opportunities that we can partake in to grow our leadership skills.

Congratulations Cadets!!

Alekhya Immadi and Lasya Kantimaneni , both of Year 10, were placed first in the cadet teams State First Aid Camps organised by St John's Ambulance. Both young women have been in the cadetship program for almost 4 years and will be going on to represent New South Wales in the National Competition in January 2020.

Cadet divisions meet regularly—usually once per week during school terms. Meetings can include things like learning first aid, fun games and activities, and working on Proficiency Courses. Once a proficiency course is achieved, cadets are awarded a certificate and a badge to place on their uniform.

When the first badge is achieved, cadets will be on their way to meeting the requirements of The Grand Prior's Award (which requires a minimum of 12 badges).

Completing it is an outstanding achievement. There are two proficiencies which are compulsory for earning The Grand Prior's Award; Health Care and Caring and the Knowledge of the Order badges.

The Grand Prior's Award

The Grand Prior's Award is one of the highest awards that can be received as a youth member— to get it is a major achievement! The Award is the special award of Grand Prior, Prince Richard, the Duke of Gloucester.

Both Alekhya Immadi and Lasya Kantimaneni were awarded the Grand Prior award by our Governor recently.

Congratulations girls! We are very proud of your achievements. Good luck in the National Competitions in January 2020.

A LETTER 4 YOU

To: Strathfield Girls H.S. 

Write a Christmas card you'd like to be distributed to your peers/ teachers in roll call during Week 8 !

The SRC placed a box in Ms Wong's office. Drop off your Christmas card there.

Also, The SRC team have placed some Christmas cards near the box, but you are welcome to buy your own ! HOHOHO
