NEXT P & C

Monday, 13 May 2019
SGHS Common Room–
Please enter via GYM
pedestrian Gate

Welcome to Term 2

Parents and students are reminded of the importance of Term 2 in the school year.

It does, of course, coincide with the arrival of cooler weather—so all students are reminded to attend closely to the wearing of **full and correct winter uniform**, which includes the **school blazer**, and the **full tracksuit on Tuesdays, for Sport**.

Finally, **this term is a critical one in assessing student achievement** over the first half of the year, and culminates in the issuing of **semester reports**. The importance of these reports, and of the assessment which precedes them, cannot be understated. There is still time, in this academic year, to make adjustments and improvements in the light of grades allocated and teacher recommendations.

A reminder that mandatory Parent/Teacher Nights are fast approaching. Parents and guardians, please ensure that your child makes appointments with their class teachers as the interviews will be taking place at **Marie Bashir Hall** on the following dates:

Year 12	Thursday	23 May 2019
Year 11	Tuesday	11 June 2019
Year 8	Thursday	20 June 2019
Year 9	Tuesday	25 June 2019
Year 10	Thursday	27 June 2019
Year 7	Tuesday	2 July 2019

ATTENDANCE

We would also like to remind you that, at Strathfield Girls High School we value and encourage your daughter's attendance at school as it is essential in achieving her educational goals, as well as increasing her career and life options. Daily attendance ensures learning is a priority and enables your daughter to achieve success in the learning process. Attendance makes a difference to every girl's educational success.

The importance of arriving on time is also a priority as it:

- ▷ ensures that students do not miss out on important learning activities scheduled early in the day;
- ▷ helps students learn the importance of punctuality and routine; and
- ▷ gives students time to greet their friends before class.

Please also remember that, following your daughter's absence from school, you must ensure you provide us with a written explanation of the absence within 2 days, as per the requirements of the Department of Education NSW.

Attendance is of utmost importance to wellbeing and academic performance. Students are expected to maintain a 90% attendance rate or they will be interviewed by the Principal, Ms Lyris.

Please be reminded that every absence, even lateness to school, must be explained on the first day your daughter returns to school. If you anticipate a long absence, please contact the appropriate Deputy Principal to inform them of the absence.

The SGHS Absentee note makes it easy for parents to explain their daughter's absence. Students are able to collect these from the front office or their Year Advisor.

Note also, that lateness will attract afternoon detentions.

IMPORTANT NOTICE !!!

Parents are reminded of the school procedures for early leavers:

1. Parents are to send a signed permission note for the daughter to leave school early.
The full name of the student, date and time of leave must be included.
2. The student must see their or any available Deputy Principal before Roll Call to gain permission to leave. Their note will be signed by the Deputy.
3. The student must then go to E 4 to the SASS Attendance Officer to have their leave processed on our electronic data base.
4. An electronic printout will be issued to the student who has to show this to her teacher at the time indicated on the printout. She is then permitted to leave class to meet her parents in the foyer.

Encourage your daughter to follow the school expectations.

Please do not arrive at the school to collect your daughter unless in cases of emergency/urgency.

NO STUDENT IS PERMITTED TO LEAVE THE SCHOOL WITHOUT SIGNING OUT.

Term 1 Week 11 Sports News

Grade Sport Result

Teams travelled by bus to their various venues to play in the Bligh Zone Grade competition.

SPORT	RESULTS	SCORE
7/8 European Handball 1	Defeated Strathfield 2	11-3

Term 1 Week 11 Sports News

TEN PIN BOWLING

Every Tuesday, students enjoy the challenge of striving for the perfect game in Ten Pin Bowling. It has been great to witness the improvement in the girls' skills throughout Term1 in this fun recreational sport option.

VOLLEYBALL

At SGHS Volleyball Training, students are immersed in a variety of drills that target volleyball fundamentals such as digging and setting. From left to right, the picture shows Belle Heng, Jemelia Tang-Ung, Junki (Jane) Yoshimura and Kate Tran in action. In the next images, Quianne and Nichelle Albeza are demonstrating to students how to spike the ball. Students are taught how to jump to get as high in the air as possible before bringing their right arm back behind their body with their palm open ready for a spike. The volleyball girls are very motivated and are hoping to compete with other schools later on in the year.
