z - Club Launch

SGHS Makes History!

Under the auspices of the ZONTA CLUB of Sydney West, SGHS has established a z-Club and received our charter at a launch on Monday, 6 May 2019 at an uplifting ZONTA launch ceremony. ZONTA Sydney West also achieved the centenary goal of ZONTA International, to establish at least one z-Club this year. SGHS is the first z-Club to work under the guidance of ZONTA Sydney West.

Ten of our Year 10 students were inducted into the z-Club and pledged their dedication and commitment to engaging in activities to make the world a better place.

The SGHS z-Club was initiated by the Deputy Principal, Jennie Dalamagas with the wonderful ZONTA Sydney West members, Lorna Parker and Diana Humphries, and the School z-Club Advisor who will be working closely with the team is Kerry Sadler, the Year 10 Advisor.

Well done, z-Club team! We'll expect to hear all about the wonderful initiatives you undertake.

Z-Club Program

OBJECTS OF ZCLUBS

1. To serve the school with which it is affiliated.
2. To serve the community,
3. To provide career guidance and to encourage leadership qualities in schools and universities,
4. To promote fellowship and better understanding among all people of the world

ZONTA BLESSING

Whatever your country of birth, whatever your faith or creed let us give thanks for the meal we now share in Zonta fellowship.

Let us remember those who do not enjoy our high living standards and those who are denied the personal freedom we cherish.

May we through our Zonta service, work for the improvement of health, human rights and world harmony.

Global 6k walk for water fundraiser

On Sunday the 5 May, a number of Strathfield Girls High School SRC students attended the Global 6k walk for water at Lane Cove Plaza which was hosted by World Vision. When beginning to walk, it started to rain heavily, and the intense wind made it very cold. Although the rain was a massive inconvenience, we completed the 6 km knowing that we helped bring clean water to thousands of people who were drinking contaminated water every day.

Taking part in this event made all the participating students feel very proud and helpful. During the walk, we were given the choice to carry an empty container to the halfway mark and fill it with water. We had to carry the water back to where we started. This was to experience what it was like for children who had to go on long journeys every day to bring water to their homes. Many other schools, families and community groups took part in this event and the whole day was very motivating.

To raise money for the students participating in the Global 6k, our school held a wear it Orange/Blue day with a cake sale at lunch on Wednesday the 1 May. The majority of students wore Orange/Blue and donated to this wonderful cause. The baked items sold out very quickly and tasted delicious. Our team raised approximately \$4,325 once we add our school donations to the team page. Special congratulations to Ameena Solh in 7I who raised just over \$1700.

Congratulations to the 10 participants:

Term 2 Week 2 Sports News

Grade Sport

Winter Grade Sport will commence from Week 3. Teams are busy training in preparation for their upcoming competitions.

Recreational Sport

Years 7—11 Recreational Sport has commenced in Week 1.

Note that as Sport is mandatory from Years 7 to 11, students who had not selected or paid for a sport by the due date at the end of Term 1, were allocated a sport on the basis on available spaces. These students need to pay for the allocated Sport, at the front office immediately.

REMINDERS

BADMINTON

The Badminton Club continues every Tuesday and Wednesday after school until 4:45pm in the school gym. Any student who is interested is welcome. You do not need to have played before to join this club. So turn up and have a swing!

FITNESS CLUB

A reminder that Fitness Club, led by a core group of fitness leaders from a variety of year groups, meet on Tuesday and Friday mornings at 8.00 am in the Gym.
